

# Challenges Facing Single Mothers in the Catholic Community

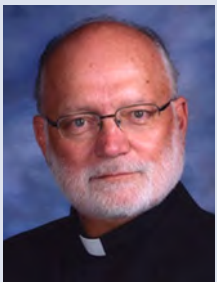

You are invited to participate  
in a virtual summit

We will be hosting a virtual webinar to discuss the challenges facing single mothers in the Catholic community and solutions to welcoming them more fully into the church family.

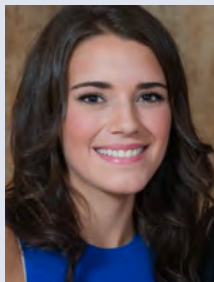

This is a collaboration between Momentum, a new organisation for Catholic Single Mothers and a team of McGill University master's students who conducted "A Study on Catholic Single Mothers in the Montreal Catholic Community."

**For Church community leaders and members.**

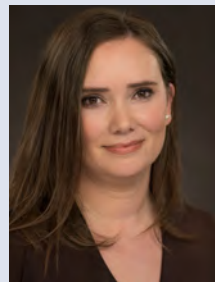

Our goal is to raise awareness and communicate how to support Catholic single mothers.
