## On the way with the Holy Spirit

This document is intended as a tool for parents, pastoral workers, catechists and instructors, so that this video may constitute an enriching experience of sharing!

### Foreword

This video tells the story of a young confirmand in search of a better understanding of the seven gifts of the Holy Spirit at Mary Queen of the World Cathedral. The confirmand is welcomed and accompanied by Archbishop Christian Lépine.

The video aims to portray the desire to open up to the influence of the Holy Spirit, illustrating this same desire which came into being in the people who founded and consecrated the city of Montreal to Our Lady, Mary Queen of the World!

The video is intended for young people, families, pastoral teams, teachers in Catholic schools and to all who are interested in the gifts and fruits of the Holy Spirit!
