CAPITAL CAMPAIGN

We are launching a Capital Campaign to finance, among other projects, the reconfiguring of our landscaping and drainage on the West side of the Basilica, making it more accessible and pedestrian friendly. We appeal to you to consider supporting us in this endeavor by donating directly to the **St. Patrick's Restoration Foundation**.

The Foundation was created in 1988, to finance special projects that are outside of the religious nature of the Basilica. 100% of donations made to the Foundation are used for its projects, all administration expenses are carried by the Fabrique. *St. Patrick's Restoration Foundation enjoys a special tax status* and large donations or pledges may qualify for considerable tax benefits as cultural donations or patronage.

There are donation envelopes in the Basilica, please make sure that you state that the donation is for the **St. Patrick's Restoration Foundation**. For more information on our campaign and how to donate please contact the parish office at 514-866-7379.

Saint Patrick's Church opened its doors on March 17, 1847. It was reported that over 6 thousand people attended Mass on that day standing in what was an open space in the stark white interior of the new Church. That year thousands of Irish immigrants arrived in Montréal escaping deprivation and starvation of their homeland only to be faced after an arduous sea voyage with Ship Fever, typhus. The sick were housed in fever sheds located at the Port of Montréal, many priests and nuns associated with the newly opened church died caring for the afflicted. And those who survived found refuge in Saint Patrick's and flourished in Montréal.
