

The Catholic Church of Montreal Launches Its 2026 Annual Campaign:

"Where There's Dignity, We Are There"

Montreal (QC) — April 14, 2026 — The Catholic Church of Montreal today announces the launch of its 2026 Annual Campaign, under the theme "*Where There's Dignity, We Are There.*" This campaign highlights the Church's ongoing commitment to accompanying individuals and communities throughout Montreal, with particular attention to those who are vulnerable or in need.

Every day, at the heart of the city, the Church is present in life's most human and defining moments — offering support, a listening ear, and accompaniment to those experiencing isolation, hardship, or who are searching for meaning. Through its pastoral outreach, charitable works, and community initiatives, it strives to uphold the dignity of every person.

This campaign is a reminder that every person is precious in the eyes of God. Upholding dignity means welcoming, listening, accompanying, and supporting all those who need it. Together, we are called to be present wherever dignity matters or is at stake.

The campaign features firsthand accounts illustrating the tangible impact of generosity across several areas of diocesan life, including youth ministry, support for couples and families, care for the sick and elderly, welcoming of migrants and refugees, and outreach to those experiencing homelessness.

Through these initiatives, the Church embodies its mission as a living and compassionate presence — the face, the hands, and the heart of a community committed to serving others, in a spirit of solidarity and love.

The Church invites the faithful and all people of goodwill to participate in this campaign and support its mission in Montreal through their generosity.
