

CORONAVIRUS (COVID-19)

Preventive measures for safe places of worship

PHYSICAL DISTANCING APPLIES TO EVERYONE

Maintain 2 metres of distancing when arriving and leaving and 1.5 metres when you are in your place

Maintain one-way traffic to avoid crossing paths with other people

Respect the maximum limit of 250 people

Avoid physical contact for greetings and use alternative practices instead

HYGIENE MEASURES AS WELL:

Participants: wear a face covering (may be removed when you are in your place)

Sneeze and cough into your elbow or into a tissue that you will discard immediately

Staff of the place of worship: wear a procedure mask and protective eyewear when 2-metre distancing cannot be maintained

Wash your hands for 20 seconds before entering and as often as possible afterwards

ALSO MAKE SURE TO:

Leave the doors open at the beginning and end of the religious service

Regularly disinfect frequently touched surfaces
